

DESIGN / FITOUT / CONSTRUCTION

Crafting spaces that inspire.

MUSCAT / SULTANATE OF OMAN

AL MADINA GROUP CO. L.L.C.

FROM VISION TO REALITY.

2005

THE BEGINNING OF OUR STORY

01 / THE COMPANY

Built on vision. Defined by detail.

Founded in 2005, Al Madina Group Co. L.L.C. brings design, engineering and craftsmanship together to transform spaces across Oman.

From an interior design studio to an integrated fitout and construction company, our approach connects the initial concept with its execution.

02 / PURPOSE

Inspire. Function. Endure.

Our mission

Exceptional interior design and fitout solutions, combining innovative design, superior craftsmanship and sustainable practices.

Our vision

To be the region's most trusted and innovative design and fitout company, recognized for creativity, excellence and integrity.

01

Excellence

High standards in design and execution.

02

Innovation

Creative, forward-thinking solutions.

03

Integrity

Honest, transparent relationships.

04

Collaboration

Success built together.

03 / OUR CAPABILITIES

Imagine it. Make it real.

01 Interior Design

Our interior design team creates stunning spaces that perfectly blend aesthetics with functionality. From conceptualization to 3D visualization, we bring your vision to life with meticulous attention to detail and a deep understanding of spatial dynamics.

Space planning and layout optimization · Material and finish selection · 3D visualization and rendering

02 Construction

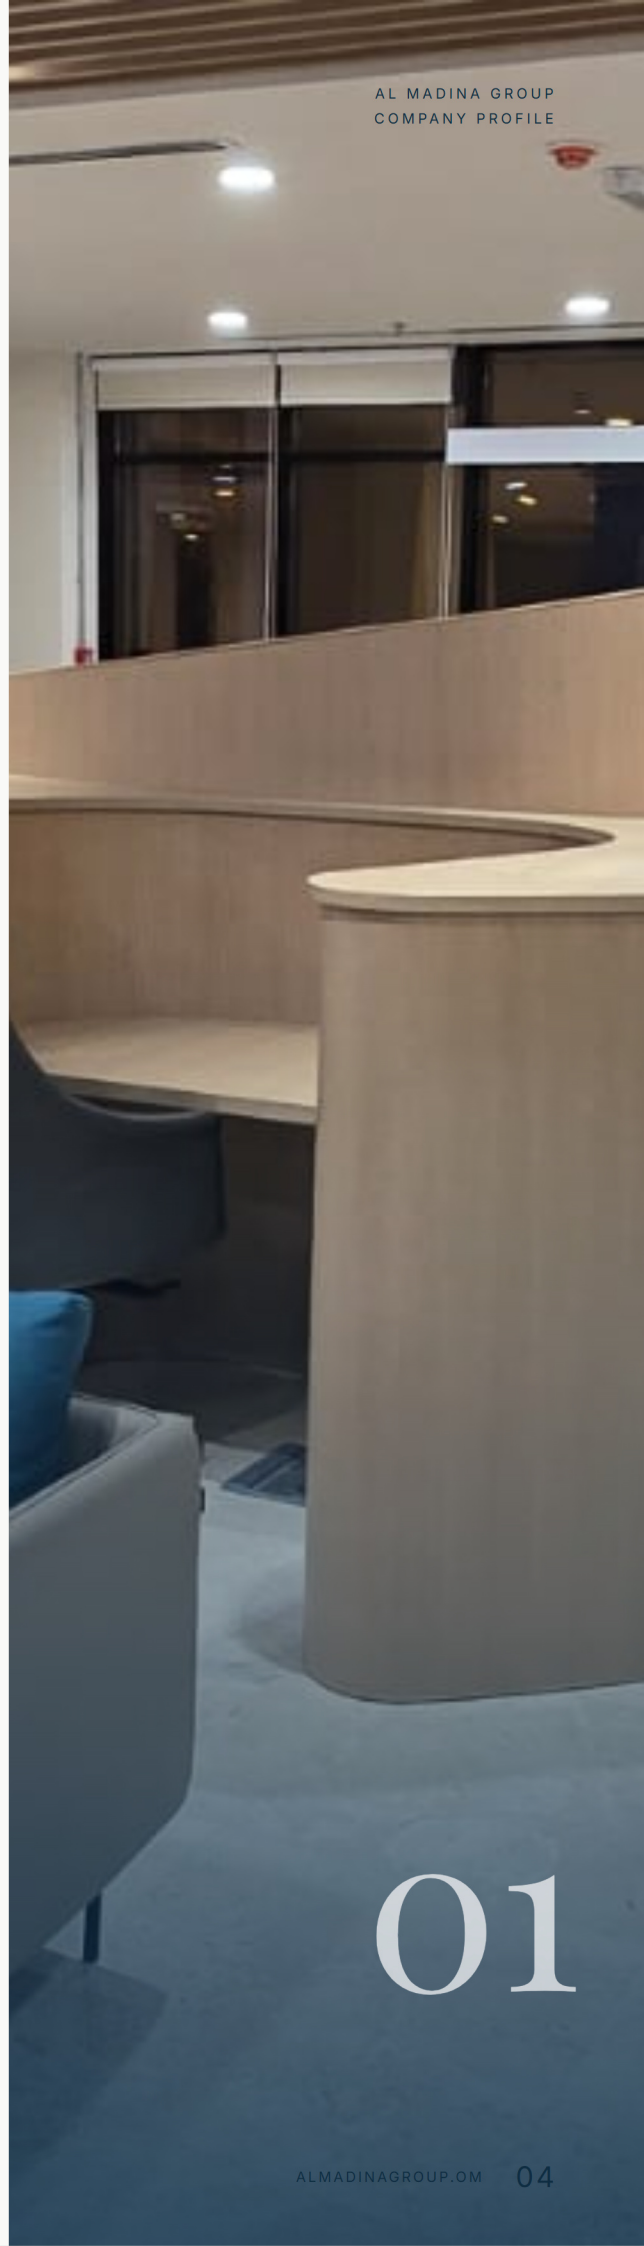

We provide end-to-end construction services for residential, commercial, and industrial projects. From site preparation to structural execution and final delivery, we manage every stage with precision, safety, and quality assurance.

Residential and commercial construction · Civil and structural works · Shell and core construction

03 Fitout

We deliver comprehensive fitout solutions that transform empty shells into fully functional, aesthetically pleasing spaces. Our turnkey approach covers everything from initial design to final handover, ensuring seamless project execution.

Category A & B fitout works · Office and commercial spaces · Retail and hospitality fitouts

01

03 / OUR CAPABILITIES

The craft behind the finish.

04 MEP Services

Our mechanical, electrical, and plumbing services ensure your building operates efficiently and sustainably. We integrate cutting-edge technology with proven engineering principles to deliver reliable MEP solutions.

HVAC system design and installation · Electrical systems and lighting · Plumbing and drainage solutions

05 Joinery

Our skilled craftsmen create bespoke joinery and millwork that add character and elegance to any space. From custom furniture to intricate architectural woodwork, we deliver exceptional quality and craftsmanship.

Custom furniture design and fabrication · Built-in cabinetry and wardrobes · Reception and retail counters

06 Renovation

Transform and revitalize your existing spaces with our expert renovation services. Whether it's a complete overhaul or targeted upgrades, we breathe new life into properties while respecting their heritage and character.

Complete space transformation · Structural modifications · Facade renovations

02

03 / OUR CAPABILITIES

Connected spaces. Lasting support.

07 Maintenance

Our proactive maintenance programs keep your facilities running smoothly and preserve your investment. We offer tailored maintenance contracts that address both preventive and reactive needs.

Preventive maintenance programs · 24/7 emergency response · Annual maintenance contracts

08 CCTV & Security Systems

We design and install advanced CCTV and security systems that provide complete visibility, control, and peace of mind. Our solutions are tailored to protect residential, commercial, and industrial properties using reliable, scalable technologies.

CCTV camera supply and installation · IP and analog surveillance systems · Access control and door entry systems

09 Home & Building Automation

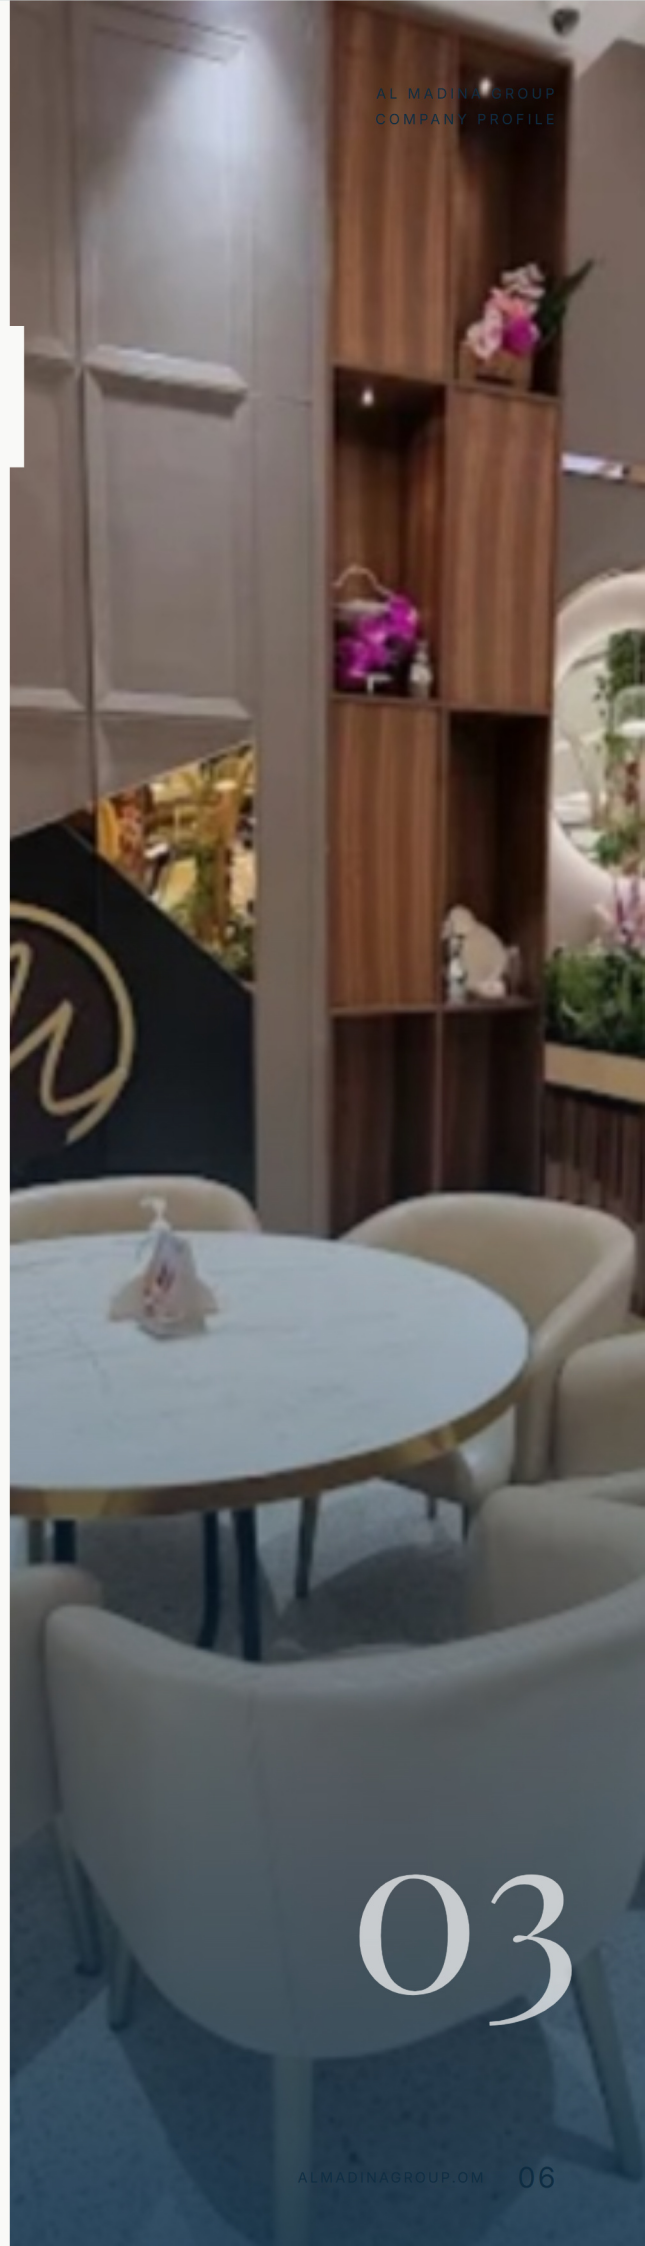

Our smart automation solutions enhance comfort, efficiency, and security by seamlessly integrating technology into your space. We design intelligent systems that give you complete control over your environment from anywhere.

Smart lighting and scene control · Climate and HVAC automation · Curtain and blind automation

10 Web Development

We build modern, high-performance websites and digital platforms that strengthen your brand and drive business growth. Our web solutions combine clean design, intuitive user experience, and robust technology.

Corporate and portfolio websites · UI/UX design and development · Responsive and mobile-first design

03

04 / OUR PROCESS

One vision. Every stage.

A coordinated path from the first conversation to the final handover.

01 Consultation

Your vision, requirements and budget define the project scope.

02 Design

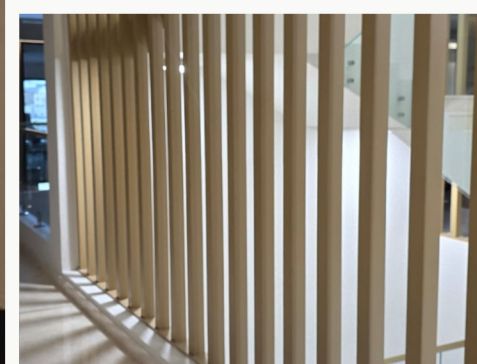

Detailed designs, 3D visualizations and comprehensive specifications.

03 Execution

Craftsmen and engineers bring the design to life with precision and quality.

04 Delivery

Final inspections, handover and ongoing support.

05 / OUR REACH

Many settings. One standard.

07 / RESIDENTIAL & WELLNESS

Room to feel at home.

Baran Spa, Mawaleh

A calming wellness space designed with layered lighting, soft finishes, and practical treatment layouts to enhance the guest experience.

Fehtya Rest House, Sumail

A relaxed hospitality retreat with durable finishes and easy-to-maintain surfaces, designed for comfort and long stays.

Al Khoud Private Client

A bespoke residential fitout delivering warm, contemporary interiors with tailored storage and refined material palettes for a private client in Al Khoud.

A varied brief. A considered response.

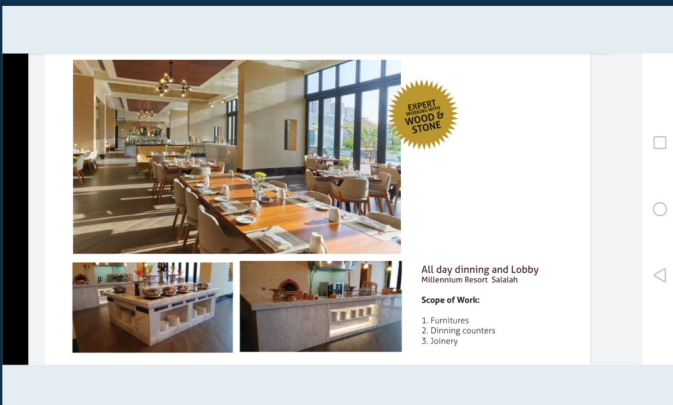

Quran Al Amerat

An educational interior fitout for the waqf Quranic school in Al Amerat, creating welcoming teaching spaces grounded in warmth, focus, and local identity.

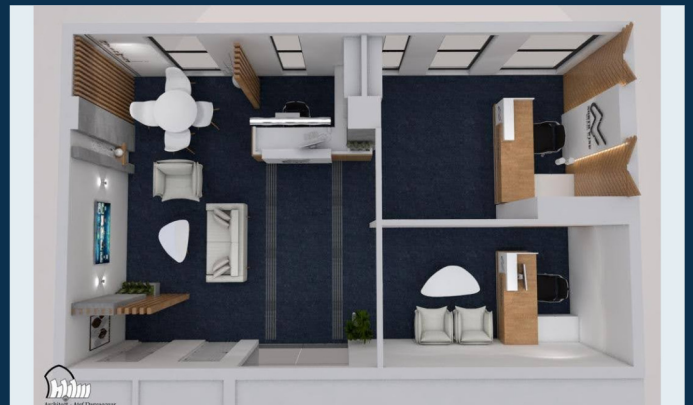

Sandwich Panel Portacabins

Brand-new sandwich panel portacabins, fabricated on demand to suit your specifications. Durable, insulated, and ready for a wide range of applications.

Sub Contract Projects

A set of subcontracted interior works delivered with consistent quality across multiple project scopes.

The Wind Project

A contemporary residential project featuring clean-lined interiors, curated finishes, and functional family living zones.
