## OUR PROJECTS

### Cake Al Taybeen

Abu Dhabi, Dubai, Sharjah, UAQ,  
RAK & Fujairah

Cake Al Taybeen is a highly delightful cake shop, where sweet dreams become scrumptious realities!

With exposed brick walls, wooden details, and soft, warm lighting, the design idea revolves around a rustic yet contemporary motif to create a homey and nostalgic atmosphere. A variety of delectable cakes are displayed on display shelves, with vintage cake stands and lovely décor items adding a sense of elegance. The color scheme complements the brand's aesthetic and uses pastel tones to connote sweetness.

## Rumba Latina Restaurant and Bar The CAVE Darsyat, Muscat, Oman.

The urban, contemporary space lives up to it's Latin moniker, with interiors decorated with ancient Latin American designs and Aztec patterns showing up everywhere from the bar counters to the table clothes. The lighting, however, was perhaps the most distinctive design feature of the space. While there were bold yellow lights illuminating the bar counters, tiny bulbs encapsulated in coloured glass bottles hung from the ceiling, throwing soft, trippy light over the tables

Welcome to the most genuine and authentic Latino Restaurant in Muscat, situated on the hills of Darsait. Our restaurant was inspired by a desire to unite the cuisine, service and atmosphere of the Caribbean, Central and Latin America with all of its glamour and vitality in one place - Rumba Lattina!

## OUR PROJECTS

### Minimalist Open Kitchen Madinat al ahlam Villa

**Minimalist design** is very similar to modern interior design and involves using the bare essentials to create a simple and uncluttered international flavors with stores across the GCC region.

Our client embarked on a complete renovation of his house, seeking to create a minimalist and functional living space. Keen to preserve a seamless appearance, we suggested hiding the extractor and ducting while ensuring effective ventilation in his kitchen. He required a powerful yet silent extractor that could efficiently remove kitchen odours and steam. The kitchen's functionality, especially in an open-plan setting, was a top priority.
